

# April 2009

## HSC Communication Update

### *HSC Management Group (HSCMG)*

#### Surplus Items?

Prior to leaving for the summer, all departments are asked to look at their storage items they have in the HSC (5<sup>th</sup> floor, specific lab storage, etc.) The HSC is planning on having a surplus sale in early June. This provides an opportunity to clean house and frees up access for pertinent items. If you have any questions, please contact Joanne Sandvick at [sandvick.joan@uwlax.edu](mailto:sandvick.joan@uwlax.edu).

#### Colored Paper

In an effort to freeze spending on supplies, there may be one or two colored papers that will run low. These will be replenished in the next fiscal year.

### *Academic Team*

#### Last Call!

If you would like to be reminded of the dates for the HSC room reservation deadlines, please let Ann Brandt know at [hscinformation@westerntc.edu](mailto:hscinformation@westerntc.edu). She will then add you to her distribution list.

#### Thanks to Rosanne Schulz!

On behalf of the Academic Team, thanks to Rosanne Schulz (GL) for chairing this year's committee. The chair position rotates each year, and UW-L is next on the rotation list. If you have any questions related to this role, please contact Rosanne Schultz at [rmschulz@gundluth.org](mailto:rmschulz@gundluth.org).

#### HSC Scheduling Process

A small ad-hoc committee met and reviewed the current scheduling process. Suggested changes were made and approved at the Academic Team meeting on April 27. This will now go to the HSC Management Group for approval. Thanks to the following individuals that served on the committee: Rosanne Schultz (GL), Peggy Denton (UW-L), Doreen Olson (WTC), Ann Brandt (HSC) and Joanne Sandvick (LMHSC).

#### Health Academy Update

The healthcare academy is geared towards La Crosse high school juniors who are interested in the healthcare field (all disciplines, not just nursing). For the next academic year, there will be one section of 25 students at the HSC from 7:30-10:30 a.m. Monday through Friday. Students will be transported by bus and therefore the students will not have an impact on the parking availability. School district teachers will be teaching the classes here at the HSC.
