

## **December 2006 HSC Communication Update**

### **HSC Management Group**

#### **Classroom/Lab Scheduling**

The revised policy recommended from the Academic Team was approved. (Attached)

#### **UW-Western Campus Nursing**

The HSC has received a request from the UW-Western Campus Nursing program to lease 3 additional faculty offices to house their nursing faculty. Joanne Sandvick will be inventorying 4<sup>th</sup> floor office space in January, for potential locations.

#### **AV Contract**

Discussions will begin in January in regard to the AV Contract for 2007/2008. If anyone has any feedback, please contact Joanne Sandvick in the LMHSC office or at sandvick.joan@uwlax.edu.

### **IT/AV Team**

#### **Student Computer Lab**

There are currently 44 computers in the student computer lab. Last year the computers were divided equally (22 for Western Technical College and 22 for UW-L). Due to a higher demand from the UW-L students, the computers will now be divided with 14 designated for Western Technical College and 30 for UW-L. The IT Department's goal is conduct the switchover in January.

#### **Student Printers**

Currently, Western Technical College and UW-L each have a designated printer for printing in the computer lab. Western Technical College will be replacing their respective printer, when their printer is no longer functional.

UW-L's printer will be decommissioned at the end of the fiscal year, June 30, 2007. If the printer fails prior to June 30, it will be taken off line and will not be repaired or replaced. Peggy Denton attended this meeting and was in concurrence with this recommendation.

#### **Wireless Access**

Wireless and network access is planned to be up and running by the end of December for UW-L students and faculty.

### **Academic Team**

No meeting in December

### **Operation Team**

No meeting in December
