## HSC Communication Update

(Summary of February HSC Team Minutes)

### HSC Management Group

#### Disbanded Operation Team

The HSCMG voted in favor of disbanding the Operation Team in its current format. Moving forward, operation issues will continue to be resolved as is currently being practiced - by phone and/or e-mail connections.

The HSCMG wanted to thank Kate McMahon (GL) for chairing the committee, along with thanking all of the team members for the time they have given to participate.

### IT/AV Team

#### Student Computer Lab

UW-L's ITS representative shared that UW-L plans to change their portion of the student computer lab in the upcoming year. At this time ITS does not know what the changes will be. A UW-L ITS representative has been asked to attend the March 26th Academic Team for further discussion.
