

March 2012

HSC Communication Update

(Summary of March HSC Team Minutes)

Misc.

Heating Plant Shutdown set for May 12-20, 2012

From UW-L:

The Heating Plant will be shut down for scheduled maintenance and repairs beginning **6 p.m. Saturday, May 12**, until **10 p.m. Sunday, May 20**.

During the shutdown there will be no steam distribution services available to campus buildings. Cage washers, autoclaves and other steam supplied equipment will be affected. Plan accordingly in anticipation of the shutdown. For more information contact the Heating Plant Superintendent Timothy Merrell at 785.8710.

IT/AV Team

FY 2013 Technology Updates

The following updates are budgeted for FY13:

- New television in room 2002 and room 2006
- New document cameras in 2nd floor classrooms
- New projectors for some mobile carts
- Phase II of the re-wiring of the "hub" closets (Phase I was completed in December 2011)

Academic Team

Student Computer Lab – UW-L Computers

At the April 23 meeting, UW-L's ITS representatives will be joining the meeting to provide an update related to the future of UW-L's portion of the student computer lab.
