HSC Communication Update

General Updates

HSC Scheduling Software Update

The software has been updated and Joanne will forward instructions in the near future. The previous scheduling system is no longer available. The new system will be much more user friendly and has some great enhancements.

PT/PTA/Biomechanics Lab Switch

The remodeling of 3051 will begin in June. The PT/PTA lab will be moved to 3002 and will be ready in time for fall semester.

Daily Parking Permits

Effective June 1, daily parking permits will no longer be sold to students at the HSC information desk. Western students will be able to purchase from NiCole Dennler. UW-L students will need to contact Jeri Delaney.

Daily parking permits are still available to purchase for guest speakers, etc. Each organization may purchase a bulk amount and the department will be charged accordingly.

Annual Parking Permits

It was approved to provide five more annual permits in the HSC lot. Joanne is in the process of following up with individuals that have been on the waiting list.
