

September 2009

HSC Communication Update

Misc. Items

Parking Lot Monitoring 7:00 am until 7:00 pm

In the last update it was indicated lots were monitored beginning at 8:00 am. Please note the correct time is **7:00 am**.

Welcome New HSC Employees!

If you were unable to attend one of the HSC welcome-back meetings, please take a moment and review the attached ppt welcoming new employees. (Pictures were not available for all.)

Academic Team

HSC Clinical Skills Lab Policy

The interdisciplinary skills lab (5092) is open to all health disciplines to use. Gundersen Lutheran has the first option, since this lab was funded by GL and is used for their nursing students. Please contact Kate McMahon at CAMcmaho@gundluth.org per the attached policy.

Old or Used Eyeglasses?

The WTC Disability Support program will be collecting eyeglasses during the month of October. In the near future there will be some bins available for drop-off.

Gundersen Lutheran Nursing Faculty Update

Roseanne Schulz is now the Assistant Director of the Western Campus Nursing Program. Carol Oldenburg is still teaching with the nursing program, but she has relocated her office back to GL for all of the other hats she wears with GL.

Additional Classroom – Room 4024

The OT/OTA programs completed some remodeling this summer to better provide for their student's curriculum changes. During this remodeling, room 4024 was converted to a general use classroom. Please stop by and check it out and consider this as another option for future classes.

Operation Team

Met in September, however no new updates

HSC Management Group (HSCMG)

No meeting in September

IT/AV Team

No meeting in September

Research Team

No meeting in September
