La Crosse County Dementia Resources—Patients & Families

Referrals for Community & Day-to-Day Supports

Our goal is to help people remain safely in their communities, living well. It is important to connect them to resources for supporting their entire well-being (social, emotional, physical, spiritual needs). Referrals can be made directly to the Dementia Care Specialist at the Aging & Disability Resource Center by calling 608-386-0767.

The resources on this sheet are designed to provide supports for people with cognitive concerns, memory impairment, and symptoms of dementia and their caregivers; with or without a formal diagnosis of dementia.

Programs/Resources Listed are:

- NO Cost, unless noted ($)
- No residency requirement, unless noted (LC) for La Crosse County residents
- Not exhaustive but a reference point, more resources available at the ADRC

To make a referral:

Offer to call with the patient or family member to make the connection for one of the resources

OR

Ask if the patient or family member would accept a call from the Dementia Specialist (obtain a signature of release)

Information for referral:

1. Name & DOB of patient
2. Phone number and who to call—patient or family
3. Resource requesting and/or general description of needs
